

The Superior and Justice courts continue to monitor and work closely with County and State court personnel to ensure the safety of court personnel, litigants and the public regarding the COVID-19 pandemic. Following the recommendations of public health officials, we have staff cleaning more often in public areas such as elevators, restrooms, courtrooms, and jury assembly/deliberation rooms. The solution used in the cleaning process is approved by the Center for Disease Control as an anti-viral product to combat COVID-19. Additionally, we have hand sanitizing solution available for the public and those within the court facilities. Our employees have also been reminded to do things like wash their hands regularly, as well as take other necessary precautions.

If you have received a summons to appear and are feeling sick or are experiencing symptoms, please call the Jury Office at 928-753-0713 x4043 to discuss postponing your service.
