Superior Court Presiding Judge Charles W. Gurtler, Jr. Announces
Appointment of Court Commissioner

Presiding Judge Charles W. Gurtler, Jr. announced today the appointment of Kenneth L. Gregory to the position of Court Commissioner for the Mohave County Superior Court with an anticipated start date in early July.

Kenneth L. Gregory currently works at the law firm Gregory & Elias, PLC., and has been admitted to the practice of law in Arizona since October 2004. He received his law degree from Rutgers School of Law and has served in private practice in Arizona since 2005.

“Ken brings an extensive knowledge of the court system with him to the bench and is a very knowledgeable, dedicated and able attorney. He previously served as a Court Commissioner from November 2013 to July 2015. The numerous letters of public support the Court received highlighted Ken’s personal integrity, professionalism, strong work ethic and his ability to make sound decisions,” stated Presiding Judge Gurtler. “This was not an easy decision as both of the candidates have excellent skills and abilities, however, the consensus among the judicial leadership was Ken Gregory is the best fit.”

This appointment was made to fill the newly created full-time Court Commissioner position with the Superior Court.
