DIVISION 4

COURT ORDER/NOTICE/RULING

NANCY KNIGHT,
Plaintiff,

vs.

CV-2018-04003

GLEN LUDWIG, et al., et ux.,
Defendants.

Since Oral Argument on May 11, 2020, the Court has received additional pleadings. Plaintiff filed a Motion for Reconsideration of Dismissal of Count One on May 20, 2020.

IT IS ORDERED denying Plaintiff's Motion for Reconsideration of Count One.

The Court's ruling on Count One, which was the ruling made by Judge Carlisle in April 2018, was brought up again during oral argument on May 11, 2020 and if the Court wants to change its ruling on that issue, it could do so in the pending ruling on the Motion for Summary Judgment. The Court is not going to order Defendants to file a written response to the Motion for Reconsideration as they have made their position clear the multiple times this issue has arose.

In preparation for the hearings on the Motion for Summary Judgment, the Court allowed both sides to go beyond the normal page limits and the Court has had difficulty finding the time to review all the pleadings as well as accompanying authority for those pleadings. Trying to find the time to write a comprehensive pleading has also been difficult.

IT IS ORDERED setting a telephonic **Hearing on Wednesday, August 12, 2020 at 1:30 p.m.** at which the Court will rule on the pending motions. The parties may appear by Zoom by making arrangements with Court's staff.
