COURT NOTICE / ORDER / RULING

NANCY KNIGHT,

Plaintiff,

CASE NO. CV2018-04003

and

GLEN LUDWIG, et al.

Defendant(s).

On June 18, 2018, the plaintiff filed a motion to compel answer to complaint for tract 4076-B. The Court will take no action on the motion because the answer was filed on June 19, 2018.

On June 20, 2018, the plaintiff filed a motion to alter or amend orders. In the body of the motion, the plaintiff requested the Court to reconsider and amend the order entered on June 11, 2018. The plaintiff referenced rule 59(d) of the Arizona Rules of Civil Procedure. The Court is treating the pleading as a motion to amend, not as a motion to reconsider. Therefore, the Court will rule on the motion once the time for responsive pleadings has run.
