In re: the matter of:

NANCY KNIGHT,

Plaintiff,

VS

GLEN LUDWIG, et al.,

Defendants.

CASE NO: CV-2018-04003

STATUS CONFERENCE

START: 10:30 A.M.

APPEARANCES: Nancy Knight, Plaintiff in Pro Per (appearing telephonically); Daniel Oehler, Attorney for Defendants (appearing telephonically); Mehdi Azarmi, VP, Fairway Construction (appearing telephonically).

This is the time set for a status conference.

The Court reviews the case file, notes that the Plaintiff filed a Motion for Injunctive Relief and the Court allowed all parties to appear telephonically as no evidence was to be presented today.

The Court proposes setting for hearing on the preliminary injunction; discussion ensues regarding a preliminary injunction hearing/final injunction hearing and motion for summary judgment.

Mr. Oehler anticipates filing the motion for summary judgment by the middle of January.

Ms. Knight makes statements to support her position.

The Court informs the parties that this case will be transferred to the newly elected Judge Gordon in the beginning of January 2019; the Court proposes setting a status conference in the middle of January and directs Mr. Oehler, if possible, to file the motion for summary judgment prior to that hearing; there being no objection.

Ms. Knight makes inaudible statements.

IT IS ORDERED setting a **Status Conference before the Honorable Eric Gordon on Thursday, January 17, 2019 at 11:00 a.m.**

The Court will not set a hearing on the Motion for Injunctive Relief at this time.

The Court recesses at 10:53 a.m.
