ADMINISTRATIVE ORDER
2024-06
(Replacing Administrative Order 2013-02)

The Presiding Judge of the Superior Court of Arizona in Mohave County previously made findings and orders in Administrative Order 2013-02 to implement Project SAFE sanctions for offenders placed on supervised probation. This order updates and continues the effect of that order.

IT IS ORDERED that all offenders placed on supervised probation within the criminal division, excluding offenders ineligible for incarceration as sentenced pursuant to A.R.S. § 13-901.01, shall be ordered as a condition of Project SAFE to complete up to 200 community restitution hours (in addition to any ordered under condition #12), as directed by the adult probation department and serve up to 90 days in the county jail (in addition to any required period of incarceration ordered under the Uniform Conditions of Supervised Probation), at the discretion of the Court, upon recommendation from the APD. Further, that the APD is authorized to arrest and detain a probationer subject to incarceration pursuant to Special Condition #1 prior to Court order, however, must file the Petition and Order requesting such within 24 hours for the Court’s consideration.

DATED this 1st day of February, 2024.
